# ADAM The Artist DENNIS

Empowered by the freedom of Invicta's B-Side, Adam Dennis brings his passion to flight in Yellow Adrenaline. With a lofty, unequivocal style, he merges the dynamic yet seemingly contradictory worlds of classical art and action sports. Inspiration from more than 12 years as a professional wakeboarder and his affinity for artistic creation has led Dennis to manifesting the lines and tricks of his mind onto the faces of the Artist Series for Yellow Adrenaline. Dennis believes in executing his designs the old fashioned way, by hand thus offering timepieces illuminated with true synergy.
