

*temptations*

**INVICTA**

*for the senses.*

A sepia-toned photograph of a cityscape, likely in Italy, featuring a river in the foreground with a bridge and several buildings in the background. The text "made in Italy with love." is overlaid in a white, cursive font across the middle of the image.

*made in Italy with love.*

*The Temptations Jewelry Collection, Made in Italy create memorable statements for journeys throughout the day or evening. With effortless eloquence, each piece is crafted from sterling silver and accented with 18k gold or rose-gold plating. Intricate elements in design come to life, making a timeless statement that is right on trend for today's style.*
