INVICTA
BOLT

A NAUTICAL ENSEMBLE

FOR IMMEDIATE RELEASE

The Invicta **Bolt Zeus Tria Reserve**: Mastering several zones in time.

Articulating the complexities of time with outstanding results, the Invicta Bolt Zeus Tria Reserve has arrived. Only 50 of this limited edition, hand-made model will be produced each month.

The timepiece is powered with the precision of a Swiss quartz movement and offers a modied retrograde caliber that clocks three time zones. The additional time-zone dials are located on either side of the impressive solid stainless steel case.

True to the features of the original Invicta Bolt Zeus, the emboldened design elements match the model's inner capability. The Tria also features a 53mm case diameter, screw-down crown, unidirectional bezel, tachymeter, and oers a 200meter water resistance.

The world of Invicta engineering just expanded. The Invicta Bolt Zeus Tria: A powerful combination of outstanding technical capability, timing technology and distinguished innovation.

About Invicta Watch - Led by innovation and nurtured with the consistency of quality and brand personality, the forward thinking energy of The Invicta Watch Group continues its brazen journey. The long held belief that supremely crafted timepieces can be offered for modest sums is the founding principle of Invicta and that ideology still resides at the core of all Invicta creations. In setting a premise of exceptional standards, Invicta maintains their objective by successfully satisfying consumers and collectors alike at any price point.
